Career Objective

I am a flexible person who quickly and efficiently finishes tasks to a high standard; and am looking to both further develop my current skills and develop new workplace skills. I endeavour to take pride in the work and company at all times no matter what role I am placed in.

Skills & Abilities

- Can work effectively and efficiently within a team setting
- Able to communicate to a high standard both verbally and in written statements
- Reliability and punctuality
- Initiative to get tasks done
- Keen observation skills with strong attention to detail
- Ability to solve problems using creative approaches
- Flexible person who can quickly adapt to new situations

Education

BACHELOR OF ENGINEERING (HONOURS) WITH THE DEGREE OF BACHELOR OF COMMERCE | MACQUARIE UNIVERSITY | 2018 - CURRENT

- Engineering Major: Mechatronics
- Commerce Major: Entrepreneurship
- University WAM (grade average): 74.462

Work Experience

SALES ASSISTANT | CONNOR | SEPTEMBER 2020 – CURRENT

- During my time at Connor, my duties have consisted of the following:
 - Visual merchandising
 - Unpacking and preparing stock
 - Excelling KPIs set by the company
 - Operation of a POS system
 - Store maintenance
 - Store stock take

ASSISTANT MANAGER | BREAK THE CODE ESCAPE ROOMS | OCTOBER 2019 – MARCH 2020

- While working at Break The Code Escape Rooms my duties were:
 - Maintenance and repair of scenery and mechanical/electrical equipment
 - Guiding customers through the escape room experience
 - Correspondence with potential clients
 - Opening/Closing procedures
 - Cash handling

MANAGER | VOLITION ELECTRIC BIKE | FEBRUARY 2019 – JUNE 2019

- At Volition Electric Bike I was placed in charge of:
 - Management of an 80 person rental service
 - Administrative duties
 - Customer service
 - Sales
 - Bike repairs

Volunteer Experience

ANIMAL TECHNICIAN | MACQUARIE UNIVERSITY | AUGUST 2018 – NOVEMBER 2018

- Macquarie University is home to the 'Lizard Lab' – a facility which deals with understanding the psychological behaviour of lizards. My job there was to ensure that the animals under my care were kept healthy by feeding and maintaining animal hygiene on a strict time schedule.

EXPERT HELPER | GOOGLE DOCS FORUMS | MARCH 2016 – JULY 2017

- My volunteer experience on the google docs forums revolved around the creation of spreadsheets. During my time helping out, I was able to diagnose and solve issues for over 150 people; and as such, I was given as expert status in recognition of my knowledge and skills.

SUPPORT WORKER | ANGLICARE | JANUARY 2017 – JUNE 2017

- My time at Anglicare mostly consisted of communicating with nursing home residents and visiting them on a weekly basis. This experience has allowed me to develop my verbal skills as I spoke to a wide range of patients at the home.
